

Developing Academic Literacy in your Students

This programme aims to explore specific strategies which have been proven to raise proficiency in the use of academic language amongst learners and how to apply these strategies in order to raise attainment. It is specifically designed to help you support and further challenge students to:

- ④ extend academic vocabulary and communication skills
- ④ understand and interpret examination questions
- ④ explore and develop critical writing

All workshops will be held at **George Spencer Academy** and will last for 90 minutes.
