

Succession Planning & Talent Management 'Leadership Pathways' Programme

Autumn 2016 - Summer 2017

Nominations are sought from aspiring teachers and leaders who wish to broaden their capacity to lead teams of colleagues. You may already lead a small team, or have recently taken on a new role of middle or senior leadership.

You will be allocated an experienced Leadership Coach from another school in the GSA TSA. They will support you with an In-School Project of your own choosing. You will meet them at the Launch Event in early October 2016. The programme finishes with a celebration event in late September 2017.

You will also be given a role shadowing opportunity for a day in another school, to learn about a career step which you may be considering in the not too distant future, or to develop an aspect of your leadership.

If you are interested in this opportunity, please discuss with your line manager and school CPD coordinator.

“ I feel that the programme is going really well so far and has given me so many opportunities. It was a fantastic boost to know that my leadership potential was being recognised and encouraged. It has provided me with an opportunity to develop a new project into a chosen area with the assistance of a Head Teacher coaching me.”

“ I have found my meetings with Headteacher X very helpful as they helped me clarify exactly what I wanted to focus on, as well as how to ensure I will be able to assess the effectiveness of my work and leadership.”

If you wish to nominate yourself for this 'Leadership Pathways' Programme please contact:
